

# 2018 EARLY FALL RANCH HORSE SHOW RESULTS

*Thanks to our outstanding judges, Robin Bond, trail judge and Tracey Hatakayama who judged halter, pleasure and versatility. Thanks to the great volunteer committee that contributed their expertise, labor, financial and moral support to the event. Without this dedication to the ranch shows, they are not possible.*

*A special thank you goes to Carolyn Russell, our very capable show secretary who is in charge of entries and points. Carolyn made sure you were all entered and totaled the results of each class to determine the points riders won in each division. Three happy winners won headstalls custom made by Buellton saddle maker Brad Cooper.*

**HIGH POINT OPEN WINNER:** Sharon Kline riding Hez Dealing Dirty - 11 points  
**RESERVE WINNERS:** Emily Berman riding Ruby - 7 points  
Nancy Hunsicker riding This Catz Got Cash - 7 points

**HIGH POINT AMATEUR WINNER:** Lucy McCarthy riding Smart And Hollywood - 10 points  
**RESERVE WINNER: (Tie)** Karyn Stevens riding Reyna - 10 points

**HIGH POINT GREEN WINNER:** Linda Mae Suprinski riding PC Mr Frost - 11 points  
**RESERVE WINNERS:** Anouk Steinke riding Bart - 7 points  
Ameilla Fleetwood riding Callie - 7 points  
Stacey Zambrano riding Hollywood Spots - 7 points  
Claire Hanssen riding Mister Red Feather - 7 points  
Richard Kline riding Hard Wood Thumper - 7 points

**Note:** There were several ties for high point awards. When a tie occurred, it was broken by counting the highest number of awards at each level. Thus a person who had scored one first (6) and a second (4) totaling 10 points would best a contestant who won two seconds (8) and a fourth (2) totaling 10 points. In a "dead heat" with exactly the same score and placing, a coin toss decided the winner. These points carry forward to the November show. Trophy buckles for Champion, Reserve Champion and Special Award (third) will be awarded to the riders who win the most points in each category in both shows. High point day winners at the November show will also receive custom made headstalls.
